Other Regulations	<p>As of June 1, 2005, Argentina has adopted and will be enforcing the International Standards for Phytosanitary Measures (ISPM 15). Wood packing materials, such as crates, pallets and dunnage must be either heat treated or fumigated and officially marked under ISPM15. Consult the appropriate customs officials for detailed information. You may also find attritional information on ISPM 15 at http://www.aphis.usda.gov/ppq/swp/</p> <p>Please note: The information on this page is intended as a guide and NOT as a complete or definitive resource.
