Documents Required for Customs Clearance	<ul style="list-style-type: none"> ✓ A detailed packing/loading list in French, English or German. ✓ A certificate of residence established at the local town hall in the commune where he is going to take residence. ✓ Copy of passport. ✓ Document added to the Inventory List. This may not be signed by the shipping company and therefore the shipper needs either to be present, or to send a Power of Attorney to sign on their behalf. ✓ Shipper has to provide ownership for six months (invoices) and is allowed to import a few bottles (approx. 100 ltrs). Taxes – duties must be paid depending on alcoholic degree.
Vehicles	<ul style="list-style-type: none"> ➤ The original title is needed to import vehicles duty free. Failing to provide these documents will result in duties and taxes which are calculated on the value of the car being applied. ➤ These charges can either be paid cash on customs clearance or to be paid by employer after confirmation of them or also by the agent if they confirm they accept those charges. Then we advance the bond on our side. Regarding cars - without the Title it is impossible to clear it but the client may request a copy of it from a notary (with original stamp), this can be used instead of the original. ➤ For the car, the client needs to complete a confirmation that he will not sell the car within the year of importation. ➤ There is also the possibility if the customer can not provide a certificate de residence (for example customer was not de-registered from Luxembourg when he left it) to request an original of a confirmation from the Embassy abroad or local authorities abroad of how long he lived abroad. A certificate of residence is needed.
Diplomats	<p>Some diplomats will be cleared on the basis of a form 136 F or attestation from the employer can be sufficient (depending the cases)</p> <p>Updated 1 April 2005</p>
