

New Zealand <i>Customs Information for Diplomats</i>	
Customs Regulations	<ul style="list-style-type: none"> ▪ Diplomats refers to Foreign nationals only coming to take up a Diplomatic post in New Zealand and not to returning NZ residents who have held diplomatic posts overseas. They are classed as Returning NZ residents. <ul style="list-style-type: none"> ➢ CUSTOMER MUST BE IN THE COUNTRY AT THE TIME OF SHIPMENTS ARRIVAL TO EFFECT CUSTOMS CLEARANCE OTHERWISE DELAYS ARE LIKELY. ➢ Household goods (including furniture and electrical appliances) and personal effects can be imported free of Customs charges. ➢ Most shipments include items which require inspection by MAF (Quarantine). However, this requirement is only made known during the clearance procedure. Charges for this service will be for the Customer's account. ➢ Following MAF inspection, fumigation or steam cleaning of items may be required. Charges for this service will be for the Customer's account.
Documents Required	<ul style="list-style-type: none"> ✓ Declaration from the relevant Embassy or High Commission confirming that the goods are the household belongings of the person arriving to take up Diplomatic position. ✓ Customs & MAF (Quarantine) Declaration (customer must be in country to complete prior to shipment arrival) ✓ Copy of photograph/signature pages of passport for all family members <u>or</u> full names,, dates of birth, Nationality, passport numbers and arrival (visa) status must be provided ✓ Inventory stating contents of cartons in detail including any cartons packed by owner (any items marked "PBO" - packed by owner, "misc." - miscellaneous or any other such incomplete descriptions are likely to be subject to inspection for which the client will be charged) ✓ Keys for any vehicles ✓ Container Quarantine Declaration
Motor Vehicles	<ul style="list-style-type: none"> ▪ Diplomats can import a vehicle tax (GST) free provided the vehicle is for official use and a Permit to Import has been obtained by the Embassy or High Commission from the NZ Ministry of Foreign Affairs & Trade. A copy of this Permit is required by us ▪ Vehicles MUST comply with New Zealand Ministry of Transport Vehicle Standard regulations. Many vehicles will not. Determining whether a vehicle meets the standards can be a complex task. Owners/importers must contact one of the agents appointed by the NZ Transport Agency to check this BEFORE the vehicle is shipped ▪ Restrictions apply to importation of left-hand drive vehicles. Before shipping you must obtain written approval to import from the Ministry of Transport. ▪ DO NOT load personal effect into the vehicle for shipping. The clearance procedures are separate for effects and vehicles ▪ ALL VEHICLES are examined by MAF on arrival and should be cleaned before shipping. In particular the underside should have all dirt and soil removed and the inside & boot should be vacuumed. Any contamination found will result in the vehicle being ordered for steam-cleaning and/or vacuuming. Charges for this will be for the Customer's Account <p>Documents Required (copies acceptable):</p> <ul style="list-style-type: none"> ✓ Original Bill of Sale (showing purchase price and date) ✓ Registration document/papers (to prove length of ownership) showing VIN or Chassis Number ✓ Service Book, repair accounts and insurance statements can assist in showing further proof of the length of ownership. ✓ Condition Report showing date vehicle handed over for shipment ✓ Evidence of the cost of freight and insurance charges for the vehicle only. ✓ Bill of lading showing vehicle and stating VIN/Chassis no. <ul style="list-style-type: none"> ▪ Owner will need to complete a Customs Application for Client Code form and provide passport details ▪ Please ensure that you have these documents available on your arrival and they are not packed with your household effects
Pets	<ul style="list-style-type: none"> ➢ Prohibition and restrictions on the import of domestic pets such as dogs and cats apply and are strictly enforced. ➢ Details and requirements must be obtained from the Ministry of Agriculture and Forestry (MAF)
Useful Websites	<ul style="list-style-type: none"> ✓ NZ Customs - www.customs.govt.nz ✓ NZ MAF (Quarantine) - www.maf.govt.nz ✓ NZ Transport Agency (importing vehicles to NZ) - www.nzta.govt.nz
Dutiable / Restricted Items	<ul style="list-style-type: none"> ➢ Radio transmitting equipment may not comply with New Zealand radio frequency service ➢ Medicines of any kind must be declared. Prescribed medicines must be accompanied by a doctor's prescription and be carried in the original container ➢ Firearms and ammunition strictly controlled and a Police Import Permit is required. Client must hold or obtain a Firearms License before an Import Permit will be issued: ➢ Must be packed separately, individually listed on the inventory and stowed at the front (door end) of the container for easy access.

New Zealand *Customs Information for Diplomats*

Dutiable / Restricted Items
 (continuation)

- Shipper must contact the New Zealand Police Department upon arrival to obtain license and permits as New Zealand Customs will not give clearance of the firearms until documentation is received from the police which may hold up clearance/release of the entire shipment.
 - Semi-automatic military type firearms are not allowed and restrictions may apply to other types of firearms
- MAF (Quarantine) regulations apply to the following items:
- Food of any kind
 - Biological specimens
 - Plants or animals (alive or dead) or their products
 - Equipment used with animals
 - Garden tools/implements, tents, vacuum cleaners, basket ware, bicycles, outdoor sports equipment, feather, fur, or skin products, etc.
 - Bamboo, cane, or rattan, regardless of origin will usually be inspected and, if infested will be fumigated
 - All wood (including wood packaging, crates, etc.) must be free of bark, insect and fungal attack and should be treated to comply with International standard ISPM15. Timber treatment certificate should be sent with documents when available
 - All items of agricultural, animal, or food origin or use **MUST** be clearly identified and loaded for easy access for inspection.
- PLEASE NOTE: Agricultural Inspection will add to clearance times with fumigation or treatment causing further delays
 - Quarantine inspection can take place at residence at time of delivery provided the residence is not in a rural area and has a hard surface (concrete or asphalt) driveway/area where a container can be placed for unloading. If the residence does not meet these criteria then effects will have to be unloaded at our approved store for inspection. All charges associated with inspections are for the customer's account.

Prohibited Items

- Canned or dried meat, spices, honey, dairy and egg products or bee keeping equipment.
- Flick knives, swordsticks, replica firearms and knuckledusters
- Semi-automatic firearms and certain other types of firearms
- Controlled Drugs (Prescribed medicine must be accompanied by a doctor's prescription and be carried in the original container)
- Pornographic or objectionable material (subject to seizure)
- Ornamental pipes (including Sheesha or Hookah pipes) and other cannabis or methamphetamine utensils
- All items manufactured from or originating from endangered wildlife must have a CITIES export permit issued by the appropriate authority in the country of origin. this includes ivory, shells & corals, feathers, reptiles, snakes, elephants, rhinos, hippos, members of the cat family, whales, dolphins, zebra, antelope, deer, and birds

New Zealand *Customs Information for Foreign Citizens*

Customs Regulations

- The following customs regulations apply to first time immigrants to New Zealand who hold permanent residency visas. Foreign passport holders who hold work to residence, work, student, or visitor visas and Australian passport holders.**
- THE OWNER MUST BE IN THE COUNTRY AT THE TIME THE SHIPMENT ARRIVES AND HOLD AN APPROPRIATE QUALIFYING DOCUMENT TO OBTAIN DUTY/TAX FREE ENTRY OF EFFECTS OTHERWISE CUSTOMS CHARGES ARE APPLICABLE AND DELAYS ARE LIKELY.
 - Used household goods (including furniture and electrical appliances) and personal effects can be imported free of Customs charges provided they are for their own personal use by the following immigration categories: Persons who hold one of the following qualifying documents on the date of importation of the goods:
 - a current New Zealand permanent residence visa or current returning residents visa
 - a current work visa or work permit, issued under the Long Term Business
 - a current visitor's visa or permit that was issued for a minimum of 3 years Visa/Permit category or the Work to Residence (Skilled Migrant Category)
 - All other visa holders cannot import household goods free of Customs charges and will be required to pay duty and or tax on any effects except clothing and personal items imported into New Zealand. The definition of 'personal items' is limited to items generally carried about the person and excludes most general household effects.
 - If shipments are forwarded to New Zealand prior to a customer's arrival they can give written authority to someone to complete forms on their behalf provided they will arrive within 6 months of the shipments arrival (evidence of this is required) and hold one of the above documents at the time the shipment arrives. However, the nominee must be able to fully answer all questions and be prepared to pay all costs (Customs, MAF and other charges) on behalf of the owner. They must also be able to supply evidence that all the conditions of free entry have been met by the owner (other than them having arrived in New Zealand).

New Zealand <i>Customs Information for Foreign Citizens</i>	
Customs Regulations <i>(continuation)</i>	<p>Customs will require a SIGHT ENTRY and require a Customs duty deposit paid until the owner arrives and can provide their qualifying document, at which time the deposit will be refunded. This also increases the likelihood that Customs will inspect the shipment.</p> <ul style="list-style-type: none"> ➤ Most shipments include items which require inspection by MAF (Quarantine). However, this requirement is only made known during the clearance procedure. Charges for this service will be from the Customer's account ➤ Following MAF inspection, fumigation or steam cleaning of items may be required. Charges for this service will be from the Customer's account. ➤ Importation of household goods from deceased estates will be allowed free of duty provided a copy of the Death Certificate and Will are provided. The importer must also provide a detailed valued list of the goods.
Documents Required	<ul style="list-style-type: none"> ✓ Customs & MAF (Quarantine) Declaration (customer must be in country to complete prior to shipment arrival). ✓ Passport - original or copy (photograph/signature page plus for non NZ passport holders all pages containing residency visas and entry stamps) certified by a Justice of the Peace, Police Officer, or Solicitor - of the person stated as the Importer on the declaration and all family members ✓ Inventory stating contents of cartons in detail including any cartons packed by owner (any items marked "PBO" - packed by owner, "misc." - miscellaneous or any other such incomplete descriptions are likely to be subject to inspection for which the client will be charged) ✓ For persons on a work visa or transfer a signed copy of a contract of employment ✓ For persons on a work to residence visa written confirmation from NZ Immigration that this is their status ✓ For Australian passport holders claiming concessions as first time immigrant's proof of intention to reside permanently will be required such as transfer of bank account, sale of overseas property/purchase of NZ property ✓ Keys for any locked trunks, suitcases or vehicles ✓ For alcohol a detailed listing and evidence that it has been collected over a period of time. Alcohol Listing ✓ Container Quarantine Declaration
Motor Vehicles	<ul style="list-style-type: none"> ▪ First time immigrants holding one of the qualifying documents stated above at time of importation and Australian passport holders can import vehicles tax (GST) free provided the vehicles have been owned and used for one year prior to the clients departure to New Zealand, are for the Customer's own personal use and not for sale, gift, or disposal and will not be sold for two years following importation. The client will be required to sign a Deed of Undertaking to this effect. This concession may also be granted to persons on Work to Residency visas provided they supply proof from NZ Immigration that this is their status. Vehicles imported by any other persons will attract Customs charges. ▪ IN SOME LOCATIONS THE CUSTOMER MAY BE REQUIRED TO ATTEND A CUSTOMS CLEARANCE INTERVIEW OR TO SIGN DOCUMENTATION IN FRONT OF A CUSTOMS OFFICER. ▪ There is no duty on motor cars or motor cycles but duty does apply to some motor homes and other vehicles. Tax (GST - currently 12.5%) applies. ▪ Vehicles MUST comply with New Zealand Ministry of Transport Vehicle Standard regulations. Many vehicles will not. Determining whether a vehicle meets the standards can be a complex task. Owners/importers must contact one of the agents appointed by the NZ Transport Agency to check this BEFORE the vehicle is shipped. ▪ Restrictions apply to importation of left-hand drive vehicles. New Zealand *Customs Information for Returning Citizens*

Customs Regulations

- The following customs regulations apply to New Zealand passport holders and foreign passport holders who hold a current New Zealand residence visa or a current returning resident's visa:
- THE OWNER MUST BE IN THE COUNTRY AT THE TIME THE SHIPMENT ARRIVES TO OBTAIN DUTY/TAX FREE ENTRY OF EFFECTS OTHERWISE CUSTOMS CHARGES ARE APPLICABLE AND DELAYS ARE LIKELY.
 - Used household goods (including furniture and electrical appliances) and personal effects can be imported free of Customs charges provided the owner has lived outside New Zealand for 21 months and goods are for their own personal use.

New Zealand *Customs Information for Returning Citizens*

Customs Regulations
(continuation)

- Returning NZ residents absent for less than 21 months can import returned NZ goods free of Customs charges (copy of export inventory will be required.) However, they will be required to pay duty and or tax on any effects (except clothing) purchased while they were overseas.
- If shipments are forwarded to New Zealand prior to a customer's arrival they can give written authority to someone to complete forms on their behalf provided they will arrive within 6 months of the shipments arrival (evidence of this is required). However, the nominee must be able to fully answer all questions and be prepared to pay all costs (Customs, MAF and other charges) on behalf of the owner. They must also be able to supply evidence that all the conditions of free entry have been met by the owner (other than them having arrived in New Zealand). Customs will require a SIGHT ENTRY and require a Customs duty deposit paid until the owner arrives and can provide their qualifying document (a valid NZ passport), at which time the deposit will be refunded. This also increases the likelihood that Customs will inspect the shipment.
- Most shipments include items which require inspection by MAF (Quarantine). However, this requirement is only made known during the clearance procedure. Charges for this service will be for the Customer's account.
- Following MAF inspection, fumigation or steam cleaning of items may be required. Charges for this service will be for the Customer's account.
- Importation of household goods from deceased estates will be allowed free of duty provided a copy of the Death Certificate and Will are provided. The importer must also provide a detailed valued list of the goods.

Documents Required

- ✓ Customs & MAF (Quarantine) Declaration (customer must be in country to complete prior to shipment arrival)
- ✓ Passport - original or copy (photograph/signature page plus for non NZ passport holders all pages containing residency visas and entry stamps) certified by a Justice of the Peace, Police Officer, or Solicitor - of the person stated as the Importer on the declaration and all family members
- ✓ Inventory stating contents of cartons in detail including any cartons packed by owner (any items marked "PBO" - packed by owner, "misc." - miscellaneous or any other such incomplete descriptions are likely to be subject to inspection for which the client will be charged)
- ✓ For returning residents overseas more than 21 months proof of absence such as tax certificates, employment references, bank account details may be requested
- ✓ For returning residents overseas less than 21 months a copy of the export inventory as proof for any returned NZ goods
- ✓ Keys for any locked trunks, suitcases or vehicles
- ✓ For alcohol a detailed listing and evidence that it has been collected over a period of time. [Alcohol Listing](#)
- ✓ Container [Quarantine Declaration](#)

Motor Vehicles

- (Including motorcycles and motor scooters):**
- Returning New Zealand residents can import a vehicle tax (GST) free provided:
 - the importer has arrived in New Zealand on the date the vehicle is imported and
 - has resided or been domiciled outside New Zealand for the whole of the 21 month period preceding his or her arrival
 - the vehicle has been personally owned and used for one year prior to the clients departure to New Zealand and
 - it is for the Customer's own personal use and not for sale, gift, or disposal and will not be sold for two years following importation
 - Please ensure that you have these documents available on arrival and they are not packed with your household effects.
 - The client will be required to sign a Deed of Undertaking to this effect. If they do not meet any of the above criteria Customs charges will apply.
 - **IN SOME LOCATIONS THE CUSTOMER MAY BE REQUIRED TO ATTEND A CUSTOMS CLEARANCE INTERVIEW OR TO SIGN DOCUMENTATION IN FRONT OF A CUSTOMS OFFICER.**
 - There is no duty on motor cars or motor cycles but duty does apply to some motor homes and other vehicles. Tax (GST - currently 12.5%) applies.
 - Vehicles MUST comply with New Zealand Ministry of Transport Vehicle Standard regulations. Many vehicles will not. Determining whether a vehicle meets the standards can be a complex task. Owners/importers must contact one of the agents appointed by the NZ Transport Agency to check this BEFORE the vehicle is shipped
