Fumigation of Imported and Exported Wooden Materials		Effective as from October 2010 the Swiss Government adopted ISPM-15 standards for wood packaging. Wooden packing material imported from outside of Europe and from Portugal will be subject to heated treatment proofed with an according ISPM Seal.	The wooden packing material must be marked in a visible location on each article, if possible on two opposite sides of the package. Currently the random samples will only be examined at the Swiss customs boarder in Basel. www.spedlogswiss.com
