United States via Baltimore

Goods	Documents Required	Customs Prescriptions	Remarks
Valuables	<ul style="list-style-type: none"> ➤ Proof of ownership and date of purchase and purchase price or evaluation ➤ Sales receipts 	Varies depending on items. Clearance: Depends on item being imported. Customer presence is not required for clearance.	Valuables such as jewelry should be hand carried by owner. Recommend antiques and paintings be evaluated prior to shipping
Vehicles	<ul style="list-style-type: none"> ➤ DOT/EPA Form to be completed and signed by owner ➤ Must have vehicle plate indicating compliance with US emission standards and safety standards ➤ Proof of Ownership ➤ Plumbtesso test results taken within 10 days prior to sailing showing catalytic converter is working properly. Bond required if catalytic converter is removed or damaged, and a new one has to be installed. A vehicle in a container with household goods will have to be devanned to test or replace converter, unless tested before shipping. ➤ Original Power of Attorney needed to obtain bond. 	Return of US autos are duty free if owner can supply copy of bill of sale in Us and prove no modifications have been made to vehicle. Clearance: 1 to 2 weeks. Customer presence may be required for clearance.	Failure to meet US Emission standards can lead to cost prohibitive conversion costs as well as bonding/detention expenses.
Notes			Shippers should be cautioned about random Customs inspections at U.S. ports, which can result in fees from \$300 to \$1,000 if all necessary clearance and documentation procedures have not been followed.
