Additional Information	<p>Please note all non-diplomatic consignments are subject to 100% verification.</p> <p>There will be no taxes levied on HHGS's consignments if the consignee has diplomatic status, or if the consignee has a valid work permit and all the goods (and one vehicle per consignee) have been used and owned by the consignee for more than twelve months prior to the arrival in Uganda. If this is not the case, then the Uganda Revenue Authority will assign duties of approximately 45% of the estimated value of the household goods and 57% on any motor vehicle.</p> <p>Clearing procedures usually take between three to four days in Kampala. Goods maybe cleared without the presence of the consignee at the airport/depot if all the documents are in order. The destination agent must complete the licensing and registration of any vehicle prior to the release from the ICD. Registration of a motorcar takes seven working days, during which storage charges will accrue. There is nothing to do to avoid this. This is the system in Uganda. Storage and demurrage is approximately \$10.00 per day.</p>
